Introduction

1. The Board of the British Equestrian Federation (BEF) resolved at its meeting on 13 January 2000 to implement a comprehensive procedure for the handling of disciplinary and doping control procedures covering horses, riders and their connections. Moreover, it was resolved that the BEF would, from the date these Rules were formally adopted by the Board on 23 November 2000, take responsibility for handling and making disciplinary decisions for all horses, ponies, riders and connections on behalf of the members of the Federation at all international Events whether they are staged in the United Kingdom or outside it and to act as an Appeal body on behalf of BEF Members, subject to the rules and procedures set out in this Rule Book. World Class Performance Riders and their connections will also be subject to these rules, when competing in national competitions.
2. These Rules are established so that Riders and Officials, may participate in international competitions as representatives of the United Kingdom and the BEF in a fair environment while continuing to be subject to the rules of the Fédération Equestre Internationale (FEI), and the policies, and where relevant, the conditions of grants and services, of the International Olympic Commission (IOC), the International Paralympic Commission (IPC), British Olympic Association (BOA), British Paralympic Association (BPA) and the Sports Councils of the United Kingdom. The Rules apply whether or not individuals are in receipt of funding from any Government or other sponsoring body.
3. These Rules can never cover every eventuality. Matters, which cannot be solved by interpreting the rules to the letter, should be resolved by following as nearly as possible the spirit of the text to obtain the solution, which is fairest to all participants.
4. These Rules supersede all previous BEF Rules as from the publication date of this Revision. These Rules must be read in conjunction with the rules of the IOC, IPC, FEI, BOA and BPA.

Complaints of Misconduct

Chief Executive considers that a prima facie case of misconduct exists which cannot be dealt with summarily under Rule 18, he will refer it to the Stewards, subject to the FEI or other Testing Authority electing not to take disciplinary action. When the Chief Executive receives a complaint of an alleged breach of conduct concerning prohibited substances, as defined under Rule 10 (h) he may refer the complaint to the BEFAR administrator or the BEFAR Hearing Body. All complaints relating to Rule 10(j) will be referred to UKAD and the National Anti-Doping Panel.

The Stewards shall give reasons for their decision to the Participant. These penalties may be in addition to any disciplinary process of the BEF Member or of the FEI, IOC, IPC, BOA or BPA.  - a) That such Participant be reprimanded and cautioned as to his future conduct.
 - b) That such Participant be suspended from all or any of the rights and privileges of participation for a period not exceeding 2 years.

Immediate Suspension

- 16 A Participant may be summarily suspended from all rights and privileges of participation at Events following conviction in a British Court of Law of any equestrian related offence, pending a full investigation by the Stewards at an enquiry called under the terms of Rule 12. Such suspension is to be approved by three members of the Stewards panel, in writing, and may take effect from the date of conviction, or such date as the Stewards shall decide and shall remain in force at the Stewards' absolute discretion until a full hearing under Rule 12 and shall notify the Participant forthwith.

Notice of Findings, Penalties and Appeals

- 17.1 The Chief Executive will, within seven days of the Stewards' decision, notify the complainant and the Participant in writing of the findings of the Stewards and of any penalties imposed.
- 17.2 Any Participant whose conduct has been referred to the Stewards of the BEF under Rule 12 above and who is dissatisfied with the Stewards' decision may, within 28 days of the decision, appeal to Sport Resolutions UK (SR). Terms of reference for SR can be obtained from the offices of BEF upon request.
- 17.3 Notice of the findings of the Stewards will not be published until the expiry of the 28-day appeal period, and then only at the discretion of either the Chief Executive or Stewards as appropriate.

Summary Powers of the Chief Executive

- 18.1 The Chief Executive may, where he considers that a Participant is in breach of these Rules but that the breach is of a minor nature:-
- (i) Issue a formal written warning as to the Participant's further conduct which shall include an outline of the circumstances of the case and the reason for the warning.

- (ii) Call the Participant for interview, at the offices of the BEF, by either the BEF Chief Executive, in the less serious of the minor cases, or otherwise the Chairman of the Board. In such cases the appropriate BEF Member shall have been informed of the request. A record of the circumstances of the case and an outline of the interview will be kept and copied to his host sport. A copy of the record will be sent to the Participant within 7 days of the interview. If appropriate, having heard the Participant's explanation the Chief Executive or the Chairman may issue a formal warning of the Participant's future conduct which shall include an outline of the circumstances of the case and the reason for the warning.

In either case any written warnings may be referred to the Stewards when considering the penalty to be imposed for a further breach of the Rules.

- 18.2 Where any Participant objects in writing to the complaint being dealt with under this Rule the Chief Executive shall refer the matter to the Stewards for the matter to be dealt with by way of a hearing.

On receipt of a complaint the Chief Executive shall notify the said Participant of his indebtedness in writing.
