INTRODUCTION

1. **Aim.** This document sets out the selection policy for the 2027 - 2029 **Podium Potential Pathway Squad (P3)**. It includes criteria for athlete eligibility, minimum performance standards and the assessment, selection and confirmation process. It has been written in consultation with UK Sport and Sport England and is complementary to the selection policies for other World Class Programmes (which are issued separately).
2. **Background.** British sport is receiving unparalleled investment from the Government and National Lottery. It is therefore essential that all sports operate with the highest level of integrity and professionalism to maintain funding streams in the future.
3. **The World Class Programme.** Funded by UK Sport since 1998, the Podium Potential Pathway is part of the World Class Programme (WCP) and Sport England Talent funding which are within the British Equestrian Federation's (BEF) portfolio.
 - 3.1. The WCP's vision is to be the leading Olympic and Paralympic nation, succeeding through an inclusive, value-driven programme, creating extraordinary moments that the nation can be proud of.
 - 3.2. The WCP's mission is to maintain the position of leading nation in Equestrian whilst ensuring Equestrian events remain relevant and inspiring to a global audience.
 - 3.3. The WCP's approach is to achieve excellence in everything we do, from meeting challenging performance targets, to managing ourselves to the highest professional standards on and off the field of play.
4. **Podium Potential Pathway Objective.** The 2027-2029 Podium Potential Pathway objective is to identify, support and develop athletes who demonstrate the potential to progress to compete for Great Britain at a Senior Championship level in the future by developing the foundation skills required for future performance.
5. **Policy Guidelines.** This policy is underpinned by UK Sport 'good practice' guidelines for selection policies which state that a selection policy should:
 - 5.1. Be effective i.e. select the 'best' athletes, or more importantly those most likely to deliver the required result for the Programme.
 - 5.2. Be seen to be fair, justified and without bias.
 - 5.3. Give athletes a clear and consistent understanding of what is expected of them to merit consideration for selection.
 - 5.4. Include communication with athletes to ensure they understand the process.
 - 5.5. Provide stakeholders with a clear reference for how decisions are reached, the criteria used, and the procedures followed and where, if at all, discretion has or will be used.

6. **Caveat.** The Programme is subject to the continuation of funding from UK Sport and/or Sport England. Should funding levels be altered then amendments may have to be made to the current Programme structure; this could include adjustment to athlete numbers and other support provided.
7. **Athlete Guidelines.** Athletes joining the Programme are required to act in accordance with International and National Rules, Regulations and Byelaws, Codes of Conduct and such other policies and reasonable instructions as provided by the BEF. In particular, as an elite athlete in receipt of public funds, athletes will be required to recognise and acknowledge that they will be expected to always act with integrity and to conduct themselves in a manner that does not bring themselves, the sport, BEF, funding partners or sponsors into disrepute. Athletes will also need to demonstrate an ongoing commitment to achieving future medal-winning performances on the world stage and full engagement with the WCP's policies and staff.
8. **Conflict of Interest.**
 - 8.1. In order to protect the integrity of the selection process members of the Panel, both voting and non-voting, shall not take any measure nor exercise any influence in relation to a matter where any conflict of interest or any other conflict exists or is perceived to exist. Members of the Panel must therefore take all reasonable steps to avoid situations where there may be a potential conflict of interest, whether that is a real or perceived conflict of interest.
 - 8.2. The Independent Chair will be responsible for proactively addressing and managing all conflicts of interest amongst members of the Panel on a regular basis and throughout the selection process.
 - 8.3. Any register of interests will be maintained by the HoPP, the details of which will be supplied to the Independent Chair as and when any new conflict of interest is registered and prior to the commencement of the selection process.
 - 8.4. Every member of the Panel will be required to declare any potential or perceived conflict of interest as soon as it arises and may not participate in, or influence, any decision or vote on any issue connected to the conflict.
 - 8.5. If a member of the Panel has a conflict of interest (whether in relation to any athlete who may be eligible for selection under this Policy, or otherwise) then that individual must step down from discussions involving the conflict. Alternatively, they may be asked to withdraw for the entire portion of the meeting regarding the actual selection discussion as directed by the Independent Chair.

PODIUM POTENTIAL PATHWAY SELECTION POLICY 2026

9. Selection Policy Objectives

- 9.1. To set clear eligibility criteria including Minimum Performance Standards to be considered for selection onto Podium Potential Pathway;
- 9.2. To set a clear selection process compliant with the principles set out at Paragraph 5 above;
- 9.3. Where applicable, to assist UK Sport in determining the appropriate APA.

10. Time Period. The Programme cycle to which this Selection Policy applies is 1st January 2027 – 30th December 2029. Selected riders can remain on the programme; subject to successful reselection; for a maximum period of **FOUR** years by Biennial selection.

11. Selection Process. The Selection process is as set out in [Appendix 1](#) and will take into consideration the following factors:

- 11.1. Achievement of and eligibility for the Minimum Performance Standards as set out in [Appendix 2](#).
- 11.2. The athlete and/or athlete/horse combination Performance Profile as set out in Paragraph 15.
- 11.3. Any other evidence of future performance delivery/progression presented during the selection process.

There is a seven-stage process and timeline ([see Appendix 1](#)) that will be applied to select athletes to the 2027 - 2029 for Podium Potential Pathway:

1. Athlete Eligibility.
2. Achievement of a Minimum Performance Standard.
3. Evaluation of the Athlete's Suitability for Inclusion onto the Programme.
5. Selection for an offer of a place on the Programme
6. Confirmation of Acceptance by the Athlete

For those athletes eligible to be nominated for a UK Sport APA, there are two further steps in this process:

7. Nomination of the selected Athletes to UK Sport for an APA.
8. Confirmation of acceptance of nominated Athletes by UK Sport.

Stage 1: Athlete Eligibility

12. Before consideration for selection onto the Programme for Podium Potential Pathway, or for an APA, an athlete must first satisfy the following requirements:

- 12.1.** be eligible to compete for Great Britain & Northern Ireland in international competitions and be eligible to compete for Great Britain at an Olympic or Paralympic Games and satisfy the eligibility requirements of the IOC, BOA, BPA, FEI and [UK Sport's Eligibility Policy](#);
- 12.2.** athletes must be British nationals or hold a British passport to be eligible. Athletes transferring from another country must:
 - 12.2.1.** Obtain British nationality or a British passport.
 - 12.2.2.** Receive written confirmation from the BOA/BPA and the relevant NGB confirming their eligibility to compete internationally.
 - 12.2.3.** Until then, they are not eligible for public funding or publicly funded benefits;
- 12.3.** be a full member of the relevant MB for the discipline they are applying;
- 12.4.** not be serving a ban or suspension as a result of a doping or controlled medication violation, or other breach of ethical conduct, nor be in receipt of a funding ban from UK Sport;
- 12.5.** sign an Athlete Agreement with BEF.

Stage 2: Achievement of a Minimum Performance Standard

13. The Minimum Performance Standards are set out in [Appendix 2: Section A](#)

SECTION A: SHOWJUMPING

- 13.1.** An athlete must meet the Minimum Performance Standards set out in [Appendix 2](#) to be considered for selection.
- 13.2.** It is the athlete's responsibility to ensure that the Minimum Performance Standards are achieved within the stated timeframes set out in [Appendix 1](#).

N.B: The achievement of the Minimum Performance Standards does not guarantee selection onto the Programme. There are a limited number of places and reaching the Minimum Performance Standards only enables an athlete to proceed within the selection process.

Stage 3: Evaluation of the Athlete's Suitability for Inclusion onto the Programme

14. If an athlete/horse combination fulfils the requirements set out in **Stages 1 and 2** of the process the WCP will undertake a Performance Profile of the Athlete to ensure:

- 14.1.** the athlete's performance is of a standard that demonstrates future Senior medal winning potential;
- 14.2.** the athlete is at an appropriate developmental stage to benefit from inclusion on the Programme;
- 14.3.** the athlete will contribute positively to the performance and environment of the Programme;
- 14.4.** the Programme is the best placed 'resource' to support the athlete's performance development;
- 14.5.** the Programme is best placed to support the athlete's and/or athlete's horse's development in order to fulfil the Podium Potential Pathway Objective.

- 15. Performance Profile:** An athlete achieving the Minimum Performance Standards to be considered for selection onto the Podium Potential Pathway Squad will be Performance Profiled throughout the selection process. The Performance Profile will be undertaken by personnel appointed by the PD and will be known as the “Panel”. The Panel will be led by an Independent Chair, also appointed by the PD, to ensure the process is always delivered in a fair and consistent manner. The Panel will carry out the evaluation of the athlete’s suitability for inclusion on to the Programme (**Stage 3**) and the Final Selection (**Stage 4**).
- 16.** The Performance Profile will take a holistic overview of an athlete’s circumstances and include discussion and assessment of factors that may limit or enhance future performance potential such as:
- 16.1.** the age of either the horse or athlete in relation to performance levels and its fitness to train and compete;
 - 16.2.** the quality of the athlete’s horse and their perceived ability to progress up the competition levels;
 - 16.3.** the combination’s competition record and technical skills;
 - 16.4.** an athlete’s ability to compete in a manner that supports Great Britain’s Equestrian Teams, the Stakeholders and the individual to achieve successful performances;
 - 16.5.** For athletes already on the Programme the Performance Profile will also include the length of time an athlete has been funded through the Programme, their progression up the performance pathway, and their engagement with the Programme and the Programme staff and information gained in the Routine Performance Profiling.

N.B: The Performance Profiling inevitably requires both subjective and objective judgements. It will also be specific to the discipline the athlete is being considered for. The Panel is made of up experts who will be exercising their discretion based on the knowledge and experience of the sport and what is required to meet the objectives of this Policy.

17. Selection Panel.

- 17.1.** The Podium Potential Pathway Panel will consist of a quorum of five voting members:
- 17.1.1.** The Independent Chair (non-voting)
 - 17.1.2.** International Senior Coach/Coaches and/or the Discipline’s WCP Performance Manager (maximum of two voting members)
 - 17.1.3.** The Performance Director (voting)
 - 17.1.4.** The BEF Head of Performance Pathway (voting)
 - 17.1.5.** The Disciplines WCP Podium Potential Pathway Discipline Coach (voting)
- 17.2.** Non-Voting Experts: The individual experts’ opinion may be sought by the Independent Chair, but they will not have a vote at the point of selection. They may contribute fully to the selection discussions when invited to do so:
- 17.2.1.** WCP Veterinary Surgeon will be a non-voting member of the Selection Panel with the sole purpose of reporting on soundness and assessment of known risk factors.

17.2.2. WCP Lead of Athlete Health or Chief Medical Officer will be non-voting and provide such information as necessary to enable Selectors to make a rational decision on an athlete's fitness and/or anticipated ability to compete.

Minute Taker: BEF-appointed minute taker.

Observers: The following Observers who may attend the selection meeting:

CEO of BEF.

CEO of the Sport Member Body.

UK Sport Representative.

Sport England Representative

British Elite Athletes Association Representative.

18. The Panel will then report back to the PD the outcome of the Performance Profiling and will recommend to the PD that the athlete is suitable for inclusion onto the Programme, the names of recommended athletes will then proceed to **Stage 4: Final Selection Meeting (Panel only)**.

Stage 4: Selection for an offer of a place on the Programme (Panel only).

19. Selection for an Offer of a place on the Programme will be carried out by the Panel in consultation with the discipline specific WCP staff.

- 19.1.** The Panel will be deemed to act as experts throughout and must at all times use their discretion honestly and with integrity having regard to, and acting in compliance with, any applicable code of conduct and/or code of ethics in force from time to time.
- 19.2.** An Independent Chair, appointed by the HoPP, will Chair the meeting to discuss all athletes who reach Stage 4 of the process to ensure the process is being delivered in a fair and consistent manner at all times. The meeting will be where the Panel recommend to the PD the athletes to be offered a place on the Podium Potential Pathway Squad.
- 19.3.** The Panel reserves the right, at the time of selection and outside of the selection process, to select athletes onto the Programme provided there is:
 - a) demonstrable evidence of future medal winning potential;
 - b) they meet or exceed the performance standards and performance profile required by the Programme to meet the Podium Potential Pathway Objectives and this Selection Policy.

Stage Five: Confirmation of Acceptance by the Athlete

20. The HoPP will make a formal offer of a place on the Programme to those Athletes selected by the Selection Panel. The offer will set out the obligations required of an Athlete on the World Class Programme (WCP), as detailed in paragraph 21.

- 20.1.** The Athlete will be given up to seven (7) days from the date of the offer to accept or decline the place.

- 20.2.** If an Athlete declines the offer, the Selection Panel will offer the place to the next highest-ranked rider from the selection process, if that rider meets the objectives of the Podium Potential Pathway programme.

On completion of selection, where applicable, the PD will nominate any selected athletes who meet the UKS E1 criteria to be eligible for an APA to UK Sport in writing. UK Sport will approve to the PD the final names of athletes to be offered an APA place on the Programme. UK Sport funded places are limited and can only be offered if available therefore achieving the UKS E1 or above criteria does not guarantee UK Sport APA funded place (also see Paragraph 29). All athletes that are to be offered a place on the Programme will be informed in writing by the BEF.

POST SELECTION: Induction, Obligations and Acceptance

- 21. Induction.** Once the Athlete has accepted the offer of a place on the Programme, athletes will be required to complete an Induction process, the purpose being:

- 21.1.** To introduce the Programme (i.e. the values, culture and structure).
- 21.2.** To ensure athletes know what is expected of them and are able to fulfil the Programme's commitments and obligations.

- 22. Podium Potential Pathway Athlete Obligations.** All athletes joining the Programme must sign a BEF Athlete Agreement and abide by the terms of this. The agreement also outlines the expectation for athletes to:

- 22.1.** Attend training sessions and home visits.
- 22.2.** Undergo 6-monthly reviews of performance.
- 22.3.** Commit to the Programme and augment team culture.
- 22.4.** Play a full part in Human and Equine Sport Science and Medicine processes.
- 22.5.** Where in receipt of a UK Sport APA, support UK Sport's "Inspiring Positive Change Programme" through attendance at athlete appearance days or other community engagement activities.
- 22.6.** Attend agreed competitions.
- 22.7.** Promote and encourage open and transparent communication between their home teams and Programme staff.
- 22.8.** Comply with FEI and BEF Equine Anti-Doping and Controlled Medication Rules, and FEI, BEF and WADA rules on human anti-doping.

- 21. Routine Performance Profiling.** Having taken up their place on the Programme, routine Performance Profiling will take place 6 monthly and will determine if the Programme is still able to continue to support the athlete's development, and what level of support the Programme should provide.

COORDINATING INSTRUCTIONS

- 22. Confidentiality.** It is vital for the integrity of the Policy that strict codes of confidentiality are followed by selectors, athletes, home teams and WCP staff relating to information or discussions which may have a bearing on selection. Any person who breaks this confidentiality may be removed from the process.

- 23. Declarations of Interest.** The HoPP will maintain a register of “Conflicts of Interest” for all those involved, including the HoPP, in the selection/de-selection process (see Para. 8). This will be available to athletes on request.
- 24. Costs.** There is no fee payable to be considered for selection to the Programme..
- 25. Doping and Medication.** All WCP selection is subject to the same Equine and Human anti-doping rules as per FEI competitions regarding the use of medications and the rules surrounding banned substances. This includes the need for athletes to have Therapeutic Use Exemption (TUEs) if so, required under the relevant rules. For further information/advice go to <https://inside.fei.org/content/anti-doping-rules>. If any athlete/equine is found to have a positive finding that constitutes an anti-doping violation and is not a medication covered by a TUE/EquineTUE, the athlete will be removed from the WCP selection process.
- 26. Consent to use data.** As part of the application process for selection onto the Podium and Podium Potential Programme, the BEF collects and processes personal data relating to applicants. The BEF is committed to being transparent about how it collects and uses that data and to meeting its data protection obligations (see [Appendix 3](#)).
- 27. De-selection.** Following selection and nomination onto the WCP, Programme Athletes who: no longer meet the selection minimum performance standards; or who are failing to meet agreed performance targets as identified through their review; or who fail to meet any caveat onto the Programme advised to the athlete at selection; or whose horse becomes unsuitable for any reason (sale, loss of form, prolonged lameness or injury) and is still unsuitable 3 months from the date that reason became apparent; or who fail without good reason to compete in named target competitions; or who fail without good reason to participate in formal training Programmes; may be de-selected from the WCP prior to the end of the Programme Cycle:
- 27.1.** In the first instance the WCP staff will speak to the rider, advise them of any concerns, and agree a sufficient period to allow them to remedy their performance or return a horse back to fitness.
 - 27.2.** For UK Sport APA funded athletes:
 - 27.2.a.1. If not achieved, the PD will consult with the WCP’s UK Sport Performance Advisor and reach a decision on de-selection.
 - 27.2.a.2. If an athlete is to be de-selected from the WCP, the PD will formally advise UK Sport and confirm the decision in writing to the athlete.
 - 27.3.** An Athlete may appeal the decision to de-select them from the Programme
 - 27.4.** If an athlete is de-selected, they will be supported as they transition off the programme.
- N.B.** Athletes who do not comply with WCP Athlete obligations (as set out in Paragraph. 20 above); or who are in breach of BEF, FEI or MB rules or bring the sport into disrepute may be de-selected from the WCP and the process to be adopted will be determined under the rules specific to the nature of the breach and set out in the respective agreement, rules or policies.
- 31. Appeals Process.** Athletes have the right to appeal against a nomination decision about selection made in accordance with this Policy but only on the grounds that the Panel have failed to comply with the Policy or have made a decision that no rational body of competent selectors could reasonably reach. The right to appeal a selection decision under this Policy must not be seen as an opportunity to dispute the opinion of the Panel

where the selection procedure and selection criteria have been followed. In reaching their decision under this Policy the Panel are acting as experts.

(Full details can be found here <https://www.britishequestrian.org.uk/about-us/rulebook>)

- 31.1.** An appeal under this Policy must be made by submitting notice in writing to the Chief Executive of the BEF, in accordance with the BEF Selection Appeal Rules (BEF Rulebook Annex G -1) (the “Appeals Process”), within ten (10) days of the athlete being informed of the Panel’s decision.
- 31.2.** A copy of the appeal must also be submitted to the PD. The PD shall, on receipt of the notice of appeal, seek to bring together all parties for a without prejudice discussion.
- 31.3.** For the avoidance of doubt the Appeal Process shall continue to run during the course of such discussion. However, in the event that the appellant notifies the BEF (within ten (10) days of receipt of the notice of appeal) that such discussion has resolved the appeal, the Appeal Process shall be stayed.
- 31.4.** For further information and contact details please email: Lynne.Bailey@bef.co.uk
- 31.5.** Athletes have the right to appeal against a decision about selection or de-selection but only on the grounds that the Panel have failed to comply with the Policy or have made a decision that no rational body of competent selectors could reasonably reach. The right to appeal a selection or de-selection decision must not be seen as an opportunity to dispute the opinion of the Panel where the selection procedure and selection criteria have been followed. In reaching their decision the Panel are acting as experts.
- 31.6.** An appeal must be made by submitting notice in writing to the Chief Executive of the BEF, in accordance with the BEF Selection Appeal Rules (BEF Rulebook Annex G -1) (the “Appeals Process”), within ten (10) days of the athlete being informed of the Panel’s decision.
- 31.7.** A copy of the appeal must also be submitted to the PD. The PD shall, on receipt of the notice of appeal, seek to bring together all parties for a without prejudice discussion.
- 31.8.** For the avoidance of doubt the Appeal Process shall continue to run during the course of such discussion. However, in the event that both parties notify the BEF (within ten (10) days of receipt of the notice of appeal) that such discussion has resolved the appeal, the Appeal Process shall be stayed.

30. Athlete Performance Awards (APA). UK Sport makes a tiered contribution towards athletes’ sporting costs via a National Lottery funded APA. This financial contribution is intended to be used to enable an athlete to compete and train as required to support a performance difference to progress them towards Podium Potential level. The level at which an athlete is funded will be in agreement between the WCP and UK Sport and will reflect the athlete’s position on the performer Programme in relation to future medal winning potential. The initial funding level will be determined as an outcome of the selection process. Not all athletes on Programme will be in receipt of an APA. The level of performance criteria that is eligible for an E1 APA level award is indicated in [Appendix 2](#). The amount of funding at each level and performance support available is detailed in The Equestrian World Class Programme APA Policy 2026 - 2027, which will be made available to all athletes selected onto the WCP.

31. Policy Status. The British Equestrian Federation’s policies and procedures are subject to change from time to time, including variations required to comply with Sports Councils’ directions on the investment of National Lottery funds. The BEF reserves the right to amend, supplement and/or discontinue at its absolute discretion, for whatever reason, any or all its policies and procedures. Any changes/amendments to the Selection Policy will be published on the BEF website <https://www.britishequestrian.org.uk/>.

WORLD CLASS PROGRAMME SELECTION PRIVACY NOTICE

As part of the application process for selection onto the World Class Programme, the British Equestrian Federation (BEF) collects and processes personal data relating to applicants. The BEF is committed to being transparent about how it collects and uses that data and to meeting its data protection obligations.

What information does the BEF collect?

During the course of the application process the BEF collects a range of information about you. This includes:

- your name, address and contact details, including email address and telephone number;
- details of your membership with the relevant BEF member body (British Show jumping/British Dressage/British Eventing)
- details of your competition and training history;
- details of your employment/education history;
- information to confirm that you meet the minimum eligibility requirements of the relevant selection policy, such as your nationality and age (date of birth)
- confirmation of your clothing size for the purposes of fitting you with team kit, if required; and
- if you are applying for the para-equestrian squad, information in relation to your medical condition, current medication and para classification grade.

The BEF collects this information in a variety of ways. For example, data might be contained in application forms, obtained from your passport or other identity documents, or collected through interviews or other forms of assessment.

Data will be stored in a range of different places, including on your application record, in World Class selection process management systems and on other IT systems (including email).

Why does the organisation process personal data?

The BEF needs to process your data in order to properly assess your application for selection to the World Class Programme and in order to communicate with you.

Processing data from applicants allows the BEF to manage the selection process, assess and confirm an applicant's suitability for a place on the World Class Programme and decide who should be offered a place on the Programme. The BEF may also need to process data from applicants to respond to and defend against claims for non-selection under the relevant selection policy.

The BEF therefore has a legitimate interest in processing personal data during the selection process and for keeping records of the process.

If you agree, photographs of you will be retained by the BEF for promotional purposes. Your consent will be asked for at the time you submit your application.

If your application is unsuccessful, the BEF will keep your personal contact details on file for 2 years to enable the BEF to contact you about applying for future programmes. The BEF will ask for your consent before it keeps your data for this purpose and you are free to withdraw your consent at any time.

Who has access to data?

Your information will be shared internally for the purposes of the selection process. This includes members of the BEF's World Class Programme Team and relevant member bodies if access to the data is necessary for the performance of their roles.

The BEF will not share your data with third parties without your consent. If your application is successful and the BEF makes you an offer of a place on the World Class Programme, it may then share your data with UK Sport or the English Institute of Sport and you will be provided with additional information in relation to how your data will be processed, stored and shared as an athlete on the World Class Programme.

The BEF will not transfer your data.

How does the organisation protect data?

The BEF takes the security of your data seriously. It has internal policies and controls in place to ensure that your data is not lost, accidentally destroyed, misused or disclosed, and is not accessed except by our employees and members of the World Class Programme Team in the proper performance of their duties.

For how long does the organisation keep data?

If your application is unsuccessful, the BEF will hold your data on file for 3 months after the end of the relevant selection process. If you agree to allow the BEF to keep your personal data on file, the BEF will hold your data on file for a further 2 years to enable the BEF to contact you about applying for future programmes. At the end of that period or once you withdraw your consent; your data is deleted or destroyed.

If your application is successful, personal data gathered during the selection process will be transferred to a file which is personal to you and will be retained whilst you are on the World Class Programme. The periods for which your data will be held will be provided to you in a new privacy notice.

Your rights

As a data subject, you have a number of rights. You can:

- access and obtain a copy of your data on request;
- require the BEF to change incorrect or incomplete data;
- require the BEF to delete or stop processing your data, for example where the data is no longer necessary for the purposes of processing;
- object to the processing of your data where the BEF is relying on its legitimate interests as the legal ground for processing; and
- ask the BEF to stop processing data for a period if data is inaccurate or there is a dispute about whether or not your interests override the BEF's legitimate grounds for processing data.

If you would like to exercise any of these rights, please contact Lynne Bailey at Lynne.Bailey@bef.co.uk.

If you believe that the BEF has not complied with your data protection rights, you can complain to the Information Commissioner.

What if you do not provide personal data?

You are under no statutory or contractual obligation to provide data to the BEF during the selection process.

APPENDIX 4

EQUALITY POLICY

The BEF is fully committed to the principles of equality of opportunity and aims to ensure that no individual receives favourable treatment on the grounds of age, sex, gender, disability, race, parental or marital status, pregnancy, religion or belief, sexual orientation and gender reassignment. This includes all those involved in whatever capacity - participants, employees, coaches, consultants, owners, officials, volunteers, and spectators. In addition, the BEF is committed to take action to encourage more diverse participants and workforce. We will ensure that people are selected for programmes based on their suitability and are treated fairly.

Please help us to ensure that we adhere to this policy by completing an online equal opportunities monitoring form: [Programme Equal Opportunities Monitoring Form Survey \(surveymonkey.co.uk\)](https://www.surveymonkey.co.uk).

Responses will be treated in the strictest confidence and the information you provide will be used only for statistical analysis in order to assist the BEF in evaluating its progress towards improvements in its diversity strategy.
