

BRITISH EQUESTRIAN PARA DRESSAGE SELECTION POLICY

TOKYO 2020 (2021) PARALYMPIC GAMES

UPDATED 16/04/2021

1.0 Introduction

This policy has been updated and re-issued to reflect the postponement of the Tokyo 2020 Paralympic Games as a result of the COVID-19 pandemic. The policy reflects the changes in dates and acknowledges that further changes to the selection processes may be necessary, both to select athlete/horse combinations and to remain compliant with government advice and British Paralympic Association (BPA), International Paralympic Committee (IPC), and Tokyo 2020 organising committee COVID risk assessment and mitigation policies.

- 1.1 The British Equestrian Para Dressage squad (the “Squad”) for the Tokyo 2020 (2021) Paralympic Games (the “Games”) will be selected by the Selection Panel (the “Selectors”) appointed by British Dressage (BD), endorsed by British Equestrian (BEF), and nominated to the BPA by the BEF for selection to Paralympics GB in 2021.
- 1.2 References to selection for the Games in this Policy refer to selection of a Squad of four (4) athlete/horse combinations. References to the Squad in this Policy are to be construed accordingly. Additional “reserve” combinations to the Squad will also be referred to.
- 1.3 References to the “Team” relate to the three (3) athlete/horse combinations, selected to compete for the Team medal at the Games as well as the Individual medals. References to the ‘Individual’ relate to the athlete/horse combination that will compete only for the Individual medals.

2.0 Objective

The objective of this Selection Policy is to select the four (4) athlete/horse combinations that will deliver the best possible result for ParalympicsGB at the Games. For the avoidance of doubt, the best result relates to the maximum number of gold, then silver, then bronze medals achievable.

- h. Behaviour of the athlete and the athlete’s home team indicative of a willingness to work with the WCP performance support team in pursuit of achieving the objectives of the Selection Policy, and a commitment to a positive team environment both on and off the field of play.

12.0 Fitness and soundness of the horse

12.1 Horses that are candidates for selection for the Games may be examined for fitness/soundness at any time during the selection process, by the WCP Vet (or another appointed veterinary surgeon if necessary). In addition, horses may, more specifically, be inspected before the Nomination and Final Sport Entry meetings. Examination and inspections may include the taking of blood for pre-Games testing.

12.1.1 Athletes are obliged to notify the WCP Team Vet of any change in their horse's health status or veterinary management immediately. Athletes are expected to facilitate communication between their own veterinary surgeon and the WCP Team Veterinary Surgeon to ensure that selectors can make rational decisions and specific support can be instigated where required.

12.1.2 Once a horse has been placed on the Nominated Entry List or the Final Sport Entry List, athletes are required to ensure that the WCP Team Vet is informed of any changes/treatments taking place in the horse's veterinary plan before the announcement of the Squad and, if selected, before departure to the Games.

13.0 Fitness of the athlete

13.1 Athletes that are candidates for selection for the Games may be requested to take a pre-determined and relevant fitness test at any time during the selection process. The decision to request a fitness test will be at the discretion of the Selectors in consultation with the PM/PD (or appointed representative). The test criteria will be determined by the WCP Performance Support Team led by the PM/PD (or appointed representative) with input from the WCP Chief Medical Officer, and/or WCP Head of Athlete Health, and/or Para Dressage physiotherapist, and available on request.

13.2 Athletes are required to notify the WCP CMO and/or Para Dressage Physiotherapist of any change in their health status or management immediately. Athletes are expected to facilitate openness of communication between their own medical/fitness team and/or the WCP CMO Para Dressage Physiotherapist to ensure that Selectors can make rational decisions and specific support can be instigated where required.

13.3 Once an athlete has been placed on the Nominated Entry List or the Final Sport Entry List, they are required to ensure that the WCP CMO and/or Para Dressage Physiotherapist is informed if any change to their health status in any way impacts upon their ability to compete to their full potential.

14.0 Maintaining Form and Fitness

Throughout the selection process selection decisions are subject to the athlete and horse maintaining fitness and performance.

15.0 Selection Timelines

- 15.1 The Chief Selector will inform the PD and PM immediately on any selection decisions having been made.
- 15.2 The PM will inform all athletes being considered for selection of the decisions of Selectors by telephone or direct conversation within a maximum period of 24 hours of the selection decisions having been made.
- 15.3 The athletes and horses to be submitted as the Final Sport Entry List (the Squad) plus reserves (which may or may not be in order of preference) will be informed on or around 13 or 14 July 2021. Athletes will be required to maintain complete confidentiality until they are formally notified of the BPA's ratification of their selection by the PM/PD and agree to abide by the requirements of a BPA Team Announcement.
- 15.4 The BPA in consultation with the PM/PD (or appointed representative) will announce the Squad for the Games on an agreed date. Following this announcement, the athletes/horses will also be announced on the BEF and BD websites.

16.0 Team selection

- 16.1 NPCs that have qualified four (4) athletes must declare after the Individual Tests which three (3) Athletes will compete as Team Members.
- 16.2 During the Final Selection Meeting (9.0) the Selectors will discuss and nominate the proposed likely three (3) Team Members from the Squad of four (4). In accordance with the FEI Regulations for Equestrian Events at the Paralympic Games (2nd Edition) post the Individual Team Tests in Tokyo 2020 the Chief Selector, in consultation with the Selectors, PM, WCP Team Vet, WCP CMO/ParalympicsGB CMO (if appropriate) will confirm the three (3) athletes who will compete in the Team Test on the basis of the health of the athletes/horses, their ability to perform to their maximum potential following assessment and reflecting on individual performance. Such decision will be made with absolute discretion, honesty and integrity, it will be final and will not be subject to appeal. The PM will inform the athletes accordingly.

17.0 Conditions of remaining selected

- 17.1 Once an athlete/horse combination has been selected at either the Nominated Entry or Final Selection stage, they must maintain their form and fitness in a suitable training and competition programme to be agreed with the PM. Failure to do so, or to discuss proposed amendments with the PM, may result in the athlete/horse being de-selected.
- 17.2 It will be expected that selected and reserve athletes and their grooms adhere to all requested training preparation, quarantine, media and team meeting arrangements.

Training preparation will include optimal performance preparation for athletes, grooms and horses aligned to anticipated environmental conditions and competition format at the Games. Failure to do so may result in the athlete being de-selected.

18.0 Deselection

18.1 Deselection of a Squad member may occur at any time between the announcement of the Squad and the BPA Delegation Registration Meeting (DRM) with Tokyo 2020 (2021) on or around the 15 August 2021 (TBC). The final decision as to whether to replace/substitute during this period, whatever the reasoning, will be made by the PM and Selectors, in consultation with the PD (or appointed representative), the WCP Team Vet and/or the WCP CMO (as appropriate) and ParalympicsGB Chef de Mission (CdM). This decision will be made with absolute discretion, honesty and integrity, it will be final and will not be subject to appeal.

18.2 After the BPA Delegation Registration Meeting with the Tokyo 2020 (2021) Organising Committee on or around 15 August 2021, deselection/replacement /substitutions to the Team may only be made by the ParalympicsGB CdM or appointed representative, in consultation with the PM and in accordance with the IPC Late Athlete Replacement Policy (see 19.1.2). This decision will be made with absolute discretion, honesty and integrity, it will be final and will not be subject to appeal.

18.3 In the case of an athlete being considered medically unfit to compete, the decision will be made following an examination by a WCP-approved Human SSSM Practitioner. This may involve the athlete being asked to ride certain dressage movements. Being unfit to compete is best described as “not being able to ride their horse in a manner which allows the athlete to produce the standard of performance at which they were selected, for the duration of the competition”.

18.4 In the case of a horse being considered unfit to compete, the decision will be made following an examination by the WCP Team Vet or another WCP-approved veterinarian. This may involve the athlete/horse combination being asked to ride certain dressage movements. Being unfit to compete is best described as “not being able to perform to the performance standard anticipated and at which they were selected, for the duration of the competition”.

19.0 Substitution

19.1 “Substitutions” (FEI Regulations for Equestrian Events at the Paralympic Games, 2nd Edition, Article 609) are defined as follows:

19.1.1 Substitution 1 – an athlete and or horse from the FEI Nominated Entry list between the date of Final Entries (2 August 2021) until completion of the Sport Entries sign off conducted during the BPA’s Delegation Registration Meeting (DRM) on or around the 15 August 2021.

19.1.2 Substitution 2 – for Teams needing to substitute a Team athlete and or Team horse with an Individual athlete and or Individual horse is permitted in the period between the declaration of starters and up to two (2) hours before the scheduled starting time of the Team Test Competition (first grade to go in the Team Test).

20.0 Conflicts of interest

20.1 In order to protect the integrity of the selection process, members of the Selection Panel, both voting and non-voting, shall not take any measure nor exercise any influence in relation to a matter where any conflict of interest or any other conflict exists or is perceived to exist.

20.2 All members of the Selection Panel must therefore take all reasonable steps to avoid situations where there may be a potential conflict of interest, whether that is a real or perceived conflict of interest.

20.3 A Conflicts of Interest register will be maintained by the Chief Executives of British Dressage and British Equestrian. All Selectors, team officials and World Class personnel, whether contractors or staff, should declare any potential conflict of interest by 28 February 2021, so they can be managed appropriately.

20.4 If any member of the Selection Panel, team official or World Class Programme personnel has a declared interest that could cause conflict during the selection process, then they must step down from any discussion involving the potential or perceived conflict.

20.5 It will be incumbent upon all individuals involved in the selection process to declare any potential or perceived conflicts as soon as they arise. The PD, in consultation with the BEF and BD CEOs, will proactively manage any conflicts throughout the selection process to ensure that the integrity of selection decisions is maintained at all times.

21.0 Confidentiality

21.1 It is vitally important for the integrity of the Selection Policy and out of respect for athletes, owners, grooms, Selectors, staff and associated parties, that there is at all times a high degree of confidentiality relating to information which may have a bearing on selection.

21.2 Any member of the Selection Panel, whether voting or non-voting, who breaks this confidentiality may be removed from the Selection Panel. All confidential information, conversations and discussions will be identified as such.

22.0 Code of Conduct/Charter

22.1 Athletes, owners, grooms and athletes' "home teams" are expected at all times to behave in a manner that does not potentially negatively affect performance or bring into disrepute the sport, ParalympicsGB, BEF, the World Class Programme or BD, and at all times in accordance with the ParalympicsGB Team Members' Agreement, the British Equestrian Charter and the BD Code of Conduct.

22.2 Athletes selected will be required to sign the ParalympicsGB Team Member Agreement.

23.0 Clean Sport

Selection is subject to compliance with FEI and BEF Equine Anti-Doping and Controlled Medication Rules and FEI, BEF and WADA rules on anti-doping.

24.0 Cancellation/Postponement

24.1 In the event of cancellation of the Games, the relevant parties will be notified straightaway. In the event of postponement, a situation may arise where a new or different squad needs to be selected, in which case all parties will be notified and normal procedures for selection followed wherever possible.

24.2 In the event of exceptional circumstances beyond the BEF, BD or BPA's control, the BEF Board reserves the right to make decisions following consultation with the PM/PD (or appointed representative), Selectors, BPA and CEO of the BEF, either to change the Selection Policy or the procedure, which might include the withdrawing of the British Team from competition. (See also Section 5.0)

25.0 Communication (Publication)

25.1 The Selection Policy will be published on the BEF and BD websites, and copies will be available on request from the BEF/BD offices.

25.2 Enquiries about the Selection Policy can be made either in writing (via email) or by telephone to the BD/BEF offices.

26.0 Appeals Process and procedures

26.1 Athletes have the right to appeal against a selection decision of the Selectors, but only on the grounds that the Selectors have failed to comply with the Policy or have made a decision that no rational body of competent Selectors could reasonably reach. The right to appeal a selection decision must not be seen as an opportunity to dispute the opinion of the Selectors where the selection procedure and selection criteria have been followed. In

reaching their decision the Selectors are acting as experts.

- 26.2 An appeal must be made by submitting notice in writing to the CEO of the BEF, in accordance with the BEF Selection Appeals Rules (the “Appeals Process”), within 48 hours of the athlete being informed of the Selectors’ decision.
- 26.3 A copy of the appeal must also be submitted to the CEO of BD. The CEO of BD shall, on receipt of the notice of appeal, seek to bring together all parties for a without prejudice discussion.
- 26.4 For the avoidance of doubt, the Appeal Process shall continue to run during the course of such discussion. However, in the event that both parties notify the BEF (within 48 hours of receipt of the notice of appeal) that such discussion/mediation has resolved the appeal; the Appeal Process shall be stayed.
- 26.5 One of the overriding objectives of the BEF Appeals Procedure is to enable the BEF to deal with selection appeals as quickly as is reasonably possible. Any Appeals Process will therefore be dealt with on an expedited basis with the aim being (to the extent possible) to complete the Appeals Process prior to the Tokyo Sport Entry Deadline of 2 August 2021.
- 26.6 The Appeal Process is set out on the British Equestrian website here: <https://www.britishequestrian.org.uk/about-us/rulebook>
